

Mercy Aids is helping to mobilise a movement to give practical compassion to vulnerable children and families in Southern KwaZulu-Natal.

We will collaborate with [Walmer Methodist Church](#), [His Church](#), and [Gathering Together](#) who together will be collecting and distributing food to families in need. Walmer Methodist will collect food in Gqeberha for distribution by His Church and Gathering Together via trusted networks in Amanzimtoti where recent unrest has added to the plight of vulnerable families.

**We have a truck leaving for KZN from Walmer Methodist Church on
Saturday, 24th of July 2021.**

Food Collection

Due to supply shortages in KZN, we will be collecting food in Gqeberha. If you would like to contribute, please drop supplies at Walmer Methodist Church.
